FOR IMMEDIATE RELEASE:

Speed Merchant™ offers high-powered teleconference series for 2010

Toronto, Ontario – As a result of the dramatic results his clients have achieved in working with him, Andrew Miller has agreed to share his secrets for success and developed six high-powered teleconferences focused on speed that will help increase organizational horsepower. Each teleconference will be one hour, from 12:00pm-12:30pm EST. THIS IS NOT A TYPO! That's right, companies will receive one hour of turbo-charged content in only 30 minutes! They don't call Andrew the Speed Merchant™ for nothing!

Below are the dates and offerings:

Thursday, March 25

Customer Service

How to maximize your customer's experience and satisfaction by providing valuable information quickly and easily

Thursday, April 22

Product Development and Commercialization

How to get new products and services to market faster

Thursday, May 20

Company Growth and Expansion

How to create a plan and a process for expanding your business quickly and effectively

Thursday, June 17

Recruiting and Hiring

How to shorten the hiring cycle and attract higher quality candidates

Thursday, September 23

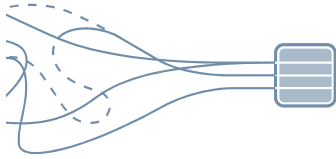

Investing in Yourself

How to speed up project and investment approvals

Thursday, October 28

Selling Your Value

How to quickly and easily increase revenues with existing customers through minimal additional effort

Thursday, November 25
EXCLUSIVE BONUS MATERIAL NOT COVERED IN OTHER
TELECONFERENCES

This is Andrew' most exciting teleconference series yet and it will provide dramatic ROI for businesses.

Andrew is offering seven hours of valuable content in only 3.5 hours of time investment!

Where else can this kind of business thrust be offered?
